Making *History* Come Alive!

 Find us on  
**Facebook**

The annual Christmas at the History Center is scheduled for December 4th-5th and 11th-12th from 1:00 to 5:00. The open house will be a little different from past years as we continue to take into consideration COVID-19 issues and protocols, but we are planning to have an in-person event this year. We will be using many of the safety procedures that we and the Logan County Health District came up with last year before we made to the decision to not have the full open house. A major storage reorganization project may also prevent us from using the Presidents' Room during the open house.

Some of these protocols and changes include:

- Visitors must be free of COVID-19 symptoms before entering the History Center.
- Face masks/coverings are strongly recommended by all in attendance. Masks could be required if mandated by the state or the Logan County Health District.
- Social distancing should be followed as much as possible. We will be asking visitors to stay

- within their family/friend groups and social distance from other groups while walking through the History Center.
- We will have fewer trees in the Museum hallways to allow for more space for visitors.
- There will be no Family Crafts at the open house, but children will be given a goodie bag of crafts to take home.
- Refreshments may also be more limited.
- We will still have some live music, but places to sit and listen to the music will be severely limited, if any at all. Instead, we are considering the live entertainment to be more background music for visitors to listen to as they walk through the Orr Mansion and or Transportation Museum looking at the decorated rooms and exhibits.
- Restrooms and commonly used areas will be cleaned and sanitized on a regular basis.
- This is not an exhaustive list of the protocols that will be in place. We will have signage up throughout the History Center listing and explaining these and other necessary safety and health measures.

Please keep checking our website – [www.loganhistory.org](http://www.loganhistory.org) – and our Facebook page for updates on the Christmas open house. Once we have everyone confirmed we will put a schedule of musicians and a list of the tree and room decorators that will be participating in the open house on the website and on Facebook. We hope to see you the 2021 Christmas at the History Center! We will be making a virtual tour of the History Center decorated for the holidays for those that cannot make the open house.

historycenter@loganhistory.org

tmccormick@loganhistory.org

www.loganhistory.org

My name is Alexis Butterworth, and I am currently serving my first year as an AmeriCorps Local History member in the Ohio History Service Corps program. I am excited to start my journey as a Local History Member in Region 7 (Auglaize, Champaign, Clark, Darke, Greene, Logan, Mercer, Miami, Montgomery, Preble, and Shelby counties) serving area history organizations with capacity building and using my educational background in the Public History field. This year, my host site is the Logan County Historical Society!

A little background about me. I grew up in Findlay, Ohio. Growing up, my family took many trips to National Parks, museums, and historic sites that helped foster my interests

in history. When I was older and decided I wanted to attend college, I chose to major in History. I attended The Ohio State University Lima campus and received a B. A. in History and a minor in music. After graduating, I decided to attend graduate school in Indianapolis and am currently finishing my thesis and will soon receive an M.A. in History with a concentration in Public History from IUPUI. In the past I have interned at the Hancock Historical Museum located in Findlay, Ohio, as well as Newfields and the Indiana Historical Society in Indianapolis. Through these internships, I have worked in archives, collections, and exhibits and gained a variety of experiences working in the museum field. My main project at LCHS will be helping with the reorganization of some of the storage areas in the Museum's basement. I still have much to learn and look forward to gaining new experiences with the Logan County Historical Society and other organizations over the course of 2021-22.

While finishing my thesis and job searching, I saw an opportunity to gain more professional and practical skills through the Local History Corps. The goals of the Local History Corps initiative are focused on generating sustainable resources for local historical societies, museums, and other organizations in the region. Being a member of the Local History Corps will allow me to network with multiple historical organizations and give back to a number of communities in this region of Ohio. I look forward to being in Bellefontaine and other nearby communities over the upcoming year and am excited to meet other members of the community who help save and preserve the rich local history of Ohio!

The 2020 Yearly \$100 Volunteer Appreciation Winner was  
**Bonnie Hansen!**

## VOLUNTEER APPRECIATION

### Monthly \$20 Gift Certificate Drawing

June 2021 Winner: Linda Larsen

July 2021 Winner: Tam Van Ness

August 2021 Winner: Jim Van Ness

## Logan County Historical Society's Membership Christmas Meeting December 8th at 6:00pm

For this year's Membership Christmas meeting we are again asking everyone to bring finger foods (or whatever you want) for a light dinner and camaraderie. Table service and beverages will be provided. This will also be an important meeting as we will be voting on our new 2022 Board of Trustees and Officers. Due to the storage project in the Museum basement and to allow us to spread out a little more, we will have the dinner and meeting in the Transportation Museum this year.

Everyone will have the opportunity to view the Christmas trees and decorations throughout the entire History Center. We hope to see you here on December 8th at 6:00 p.m.

## MEETING NOTICE

We will not have a Society Meeting in October due to our Halloween KidFest.

If you would like to volunteer for KidFest by handing out candy, please call the office at 593-7557 or email Mary at [mmortimer@loganhistory.org](mailto:mmortimer@loganhistory.org).

# HALLOWEEN KIDFEST

Saturday, October 23rd, 2021 • 1:00pm - 3:00pm

The Logan County History Center will once again host its annual Halloween KidFest after cancelling last year's because of the pandemic. The 2021 KidFest will be a little different this year. Due to our storage reorganization project and the continued issues with COVID-19 (especially the Delta variant) and how crowded the Presidents' room gets during KidFest, we will not have the crafts and the other hands-on activities this year. However, we are expanding the trick or treating. Participants will enter through the Logan County Transportation Museum doors and trick or treat through the museum bays and then make their way up to the Logan County Museum and trick or treat through the hallways and rooms before exiting the Museum and walking around the Orr Mansion. There will be an opportunity for parents or guardians to take a photograph of their children in costume in front of the mansion. They can then email the photo to us, and we will put the photos on our Facebook page. Before leaving, the children will be able to pick up a pumpkin and goodie bag to take home with them to decorate their pumpkin.

We are looking forward to having our Halloween KidFest on Saturday, October 23, 2021. It is always one of our more popular events at the Logan County History Center. We are recommending visitors wear masks or facial coverings while in the History Center during the KidFest.

Admission will be one non-perishable food item per person that will be donated to a Logan County food bank.

# CHRISTMAS IN THE ARCHIVES

The drum and bugle corps that became Satan's Angels got their start in 1931 by the Harold Kerr American Legion Post #173. The group evolved from a marching band to a drum and bugle corps in 1952 and went on to compete and place both

state-wide and nationally. The year this picture was taken, the group placed 6th nationally. Satan's Angels disbanded in the early sixties, but a junior corps was formed and enjoyed many of the same successes as its predecessor.

This is an image of the inside of Bellefontaine Federal Savings and Loan during the 1956 Christmas season. The bank was started in 1894-1895. The building in this image is located on the corner of West Columbus Street

and Detroit Street and was built in 1927. Bellefontaine Federal Savings and Loan moved out of this building in 1976 and later housed a discotheque called "The Blue Cat." Today this building houses "The Beer Vault," playing on the building's history as a bank.

This is the West Mansfield office of Dr. Charles H. Thompson. Dr. Thompson was inspired by his father, Dr. Charles L. Thompson, to go into the medical field. Dr. Thompson graduated from Ohio Wesleyan in 1926 in pre-med and went on to The Ohio State University to finish his medical education. On August 1, 1935, Dr. Thompson opened his own practice

in West Mansfield and began attending home births. By 1983, it was recorded that Dr. Thompson had attended the birth of 1,825 babies.

This is the window display for Gamble's, a hardware store located on 142 West Columbus St. The company originated at the end of the 19th century in North Dakota, when friends Bertin Gamble and Philip Skogmo opened the Gamble Auto Supply shop in 1925. Over the years the company expanded

into more merchandise and franchised all over U.S. and Canada. The store located in downtown Bellefontaine was there from 1939 to 1964.

Jeanne Pratt looks excited for Christmas as she sits in her home during the 1924-1925 Christmas season! Jeanne Pratt was born on December 13, 1919, to Robert B. Pratt and Adrienne Pratt. Robert was a doctor from

Bellefontaine. Dr. Pratt had to leave Ohio when he became the commander of the Jefferson Medical College Unit in France during WWI. Although Robert left because of war, it was not all bad. Dr. Pratt met his wife Andrienne and lived in France for a time where Jeanne was born. Based on her age, this picture might show Jeanne's French home before the family moved back to Bellefontaine.

O'Connor's Landing was a family lakeside resort started in 1904 by John and Thomas O'Connor on the shores of Indian Lake. O'Connor's Landing was one of twenty-one hotels and cottage resorts listed in the 1911 travel atlas for the Indian Lake area. In the late 19th,

early 20th century Indian Lake had become a destination for leisure activities and recreation such as fishing and boating. The O'Connor's constructed their local hotel in 1908, adding additions to it in 1914. The resort grew over time as more people traveled to the lake and by 1950, a total of 30 cottages were added to the property. The main building included a general store which provided a variety of goods and services, including bait, groceries, boat rentals and souvenirs. There was also a restaurant located along the water for lakefront dining. The image here shows one of the many Christmas seasons at the landing.

This image shows an advertisement from the 1957 Christmas season of J.M. Abraham's pure maple syrup. Abraham got his start opening a retail grocery on Main Street in Bellefontaine, which ran for 18 years. In January of 1900, J.M. Abraham partnered with F.N. Johnson to create the F.N. Johnson Grocery

Co., which not only provided groceries, but now manufactured and sold maple syrup. Abraham had taken an interest in the production of maple syrup when he was a solo businessman. Abraham only stayed with Johnson for nine years, when he sold his stock and created J.M. Abraham Co. His specialty was making maple syrup and apple butter. Abraham's two main brands of syrup were the Ohio Chief and Snow Bound. Abraham's syrup continued to be popular throughout the early and mid-20th century. J.M. Abraham's grandson sold the business to a Vermont firm in May 1964.

The L.M. Stupp furniture store was named after Luther Stupp, a Bellefontaine businessman. The store stayed at 137 South Main Street from 1913 to its closing in 1998. Throughout this whole time, the business stayed

within the Stupp family, with John Stupp, Luther's grandson being the last person to run the store.

Mary Rutan Hospital opened in 1919, containing two floors and 25 beds. The construction of the hospital was possible thanks to a thanks to Mrs. Rebecca R. Rutan Williams. Rebecca was the only child of William and Mary Magruder Rutan, who were prominent

Bellefontaine citizens and landowners. At the request of Rebecca, the hospital was named after her mother. The Mary Rutan Guild was first suggested in 1950 by the administrator of the hospital, to add a "personal touch" for patient care at the hospital. The

first workday was February 5, 1951, where guild members set up sewing circles, passed out reading materials, and kept patient's company. In this 1954 image, the guild offered handmade items in their "Handmade Christmas Mart."

Logan County Paint was located on 120 North Main Street in Bellefontaine. The store opened ca. 1940s and closed in 1974.

Hubbard School was located on the 200 Block of East Columbus Avenue in Bellefontaine. It was originally named East School and was built in 1878 at the cost of \$75,000. It was later renamed Hubbard School after Thomas A. Hubbard,

a principal of the school who passed away on November 20, 1921. The school housed both grade and high school students for a time, until a high school was built in 1908 and grades 9-12 were moved to the new high school. The school was later purchased at an auction ca. 1950s to 1960s and razed for a new Kroger store. Pictured here is a 1949 class enjoying a visit from Santa Clause and enjoying some Christmas festivities.

Ceramic piano doll

**The Family of Paul Everett Sharp**

Civil War Springfield Rifle and powder horn carried by David R. Sharp, great-grandson of Phebe & Job Sharp

**Gloria Hamilton**

Gail E. Hamilton's Funeral Flag

Pat Swanson had told her family that when the time came, she didn't want an obituary published. But since she volunteered for many years for LCHS, we asked her daughter Joan Haushalter if we could include a notice in the newsletter of Pat's passing which occurred in July. She agreed, and also wrote an obituary of her mother that we could put in our family files in the Archives.

Pat was a dedicated and hard-working volunteer in the Archives for a number of years. Many of those years she put in 300-400 volunteer hours. In addition to her work in the archives, Pat also enjoyed helping with exhibits, mainly in the ballroom, where she would often suggest ideas. After we learned that she wore a uniform for many years while attending a girls' academy in Washington D.C., she was always asked to tie the neckties on the mannequins. "Little Pat", as she was sometimes affectionately called to distinguish her from other "Pat" volunteers, was also an asset as she could fit in many of the showcases. Even though she wasn't fond of decorating for Christmas, she helped with the ballroom decorations for many years. After the archives moved to the 2nd floor, she missed interaction with the other volunteers and visitors, and became a volunteer at the West Liberty Branch Library, but she still helped with our annual exhibit in their Library window. Pat's company was enjoyed, and her help greatly appreciated. She is missed.

# Pillars of History

## THANK YOU!

### Gold Sponsors \$2,000 +

(will be recognized on individual plaques)

Harold & Barbara Marker (\$10,000)

Pat Ortli (\$5,000)

Dan & Sara Bratka (\$5,000)

Elaine DeMarsh (\$3,500)

Dwight & Bonnie Hansen (\$3,000)

\*The Reed Family Charitable Foundation (\$3,000)

These donors are sponsoring the restoration and repair work being done on the Orr Mansion. A Gold Sponsor donor will have a front porch or portico column or a 3rd floor ballroom dormer dedicated in their honor. The Silver and Bronze sponsors will share in a column or dormer. This fundraising project is continuing. Please ask for more details if you are interested in being a Pillar of History.

*\*New sponsors since the last newsletter*

### Silver Sponsors

\$1,000 - \$1,999

(will be recognized on individual plaques)

Ted & Carol Kneisley (\$1,000)

### Bronze Sponsors

\$500 - \$999

(will be recognized on shared plaques)

Dwight & Jane Reed (\$500)

The Peoples Savings & Loan Co. (\$500)

Todd & Amy McCormick (\$500)

\*Charyl Winner (\$500)

We would like to thank Ray Quay of Sergeant's Gunsmithing in Huntsville for repairing and restoring a Kentucky/Pennsylvania muzzleloader that we have had in our collection for many years. The gun belonged to Alex Miller of Huntsville. Miller served in the 2nd O.V.I. during the Civil War. Mr. Quay has cleaned and restored several guns in our collection over the years, including the Moxley rifles on exhibit in the Underground Railroad Room. Mr. Quay once again generously donated his work on the muzzleloader. **THANK YOU RAY!**

## LOGAN COUNTY HISTORY CENTER LANDSCAPING PROJECT:

### THE DAVID E. WAGNER MEMORIAL GARDENS

If you have been to or even driven by the Logan County History Center recently you may have noticed it is even more beautiful than usual. Angle's Nursery of Bellefontaine completed a re-landscaping of the Orr Mansion's front yard, the portico and around the Logan County Transportation Museum, as well as neatening up and re-mulching other areas. The finished project turned out great!

We are dedicating the new landscaping in the memory of long-time LCHS member, docent, and past-president, David E. Wagner, who passed away in October of 2015. David loved the History Center and volunteered hundreds of hours a year to LCHC. One of his favorite activities was tending to the landscaping. The money given in memory of David helped pay for the landscaping. The money was originally going to go towards a new LCHC sign. However, Brian and Charlene Baker, along with Honda R & D donated our new sign in March of 2020. We felt that David would appreciate the money going towards the landscaping. We will be dedicating a plaque honoring the David E.

Wagner Memorial Gardens at a later date.
