The History Center is pleased to announce our all-new website [www.loganhistory.org](http://www.loganhistory.org) created and designed by Elle A. Design [www.elleadesign.com](http://www.elleadesign.com). Not only did they design our site, but they also shot all photography and videography.

On our website you can explore the rooms in the Orr Mansion, Logan County Museum, and the Transportation Museum. Under the Logan County History tab, you will find information about American Indian history, the Railroad and Industries, famous Logan Countians, and the Underground Railroad.

The Research tab has links to our newsletters from 2016 to our latest newsletter. Read about the Logan County Historical Society history and find more information about the History Center Archives and the Logan County Genealogical Society.

The Visit Us tab features an Education link for teachers about the Third Grade Field Trip Grant Program and LCHC Tours and Programs. The Upcoming Events link will list any events and programs we have scheduled.

Elle A. Design is a graphic design studio based in West Liberty, Ohio. They design our quarterly newsletter, *History Matters*, and brochures, ads, membership cards and business cards for us. Thank you, Elle A. Design, for all your hard work and creativity!

**HALLOWEEN KIDFEST**

**SATURDAY | OCTOBER 21, 2023 | 1:00-3:00PM**

The Logan County History Center will once again host our annual Halloween KidFest. Participants will enter through the Logan County Transportation Museum doors and trick or treat through the museum bays and then make their way up to the Logan County Museum and trick or treat through the decorated hallways and rooms before exiting the Museum and walking around the Orr Mansion.

There will be a photo opportunity for children in costume in front of the Orr Mansion. You can share your photos via email to be posted on the History Center Facebook page. Before leaving, children will receive a pumpkin and goodie bag to take home with them to decorate their pumpkin. There is no admission fee, but we do suggest bringing canned goods or non-perishable food items that will be donated to a local food pantry. Children must be accompanied by an adult.

We are looking forward to having our Halloween KidFest on Saturday, October 21st, 2023. It is always one of our more popular events at the Logan County History Center.

## YOUNG HISTORIANS

After twenty years of the Young Historians, we are taking a step away from the group this year. Instead, Amy and I are planning to team teach a session in the Summer Enrichment Academy next June. This will allow us to reach a greater number of young people and continue to share aspects of our county's rich and interesting history.

The Young Historians have been an important and fulfilling endeavor of the Logan County Historical Society for a long time. Although I do not know this for certain, I am confident in saying that it was one of the longest running programs of its kind in the state. I am very proud of the work we did with students and even prouder of our Young Historians "alumni." This list includes several valedictorians, scholastic award winners, scholarship recipients, and even more important - many really great kids!

I would like to thank all of those who participated in the Young Historians over the years and their families. You have all made the Logan County Historical Society a better organization. Along with the parents of the Young Historians I would also like to thank all of those who helped with the group over the years, including Jean Leininger who assisted me with the Young Historians in its infancy and of course a big thank you to my wife Amy for all of her hard work, ideas, and teaching expertise.

Although we are stepping away from the Young Historians program at this time, that does not mean we will not come back to it in the future.

Thanks again,  
Todd

## APPLE ORCHARDS

Apple picking season in Ohio usually begins late summer and runs through the end of October. Ohio is one of the top 10 states in apple production in the United States. It produces around 50 different varieties, including Cameo, Cortland, Crispin, Empire, Fuji, Gala, Golden Delicious, Granny Smith, Honeycrisp, Jonagold, Law Rome, Lodi, MacIntosh, Red Delicious, and Winesap.

Logan County has a long history of apple orchards and cider making. Apples can be used in pies, tarts, dumplings, and salads. They can also be made into applesauce and a variety of other dishes and desserts. Large copper pots were often used to cook the apples into apple butter.

One of the earliest apple orchards in Logan County was John Shawver's Shady Nook Farm in Harrison Township. In the early 1900s, Shawver sold apples and was a frequent speaker at the Farmer's Institute on the care and management of apple orchards. Other apple orchards in Logan County have included Grandview, Brookside, Folsom's, and many other smaller orchards.

Grandview Orchard on Township Road 199 was established by Frank Lane in 1920. He ran the orchard for 40 years before selling to Ben and Betty Yocum in 1970. The Yocums advertised 30 apples varieties and installed a new cider press and showroom.

Brookside Fruit Farm was started by Charles and Lena Henry. In 1963, they sold their farm to Russel and Clarissa Anderson. They had approximately 1,875 apple trees and made up to 2,500 gallons of cider per year.

Folsom's Fruit Farm, located just down the road from Brookside, was owned and operated by Ralph and Mary Folsom on County Road 25 near Zanesfield. They started their orchard in 1950 and at one time could accommodate up 7,000 bushels of apples in their processing facility.

Fall is a great time to get out and enjoy the crisp air and buy apples at your favorite orchard or farmer's market.

## CHRISTMAS AT THE HISTORY CENTER

**OPEN HOUSE DECEMBER 2–3 & 9–10 | 1–5PM**

**SPECIAL EVENING HOURS ON DECEMBER 8 | 5:30–7:30PM**

The annual Christmas at the History Center is scheduled for December 2nd-3rd and 9th-10th from 1:00 to 5:00. We will once again have a special evening open house on Friday, December 8th from 5:30 to 7:30. The trees and rooms take on a special glow after dark.

We will have entertainment in the Orr Mansion's West Parlor and in the Transportation Museum, but places to sit and listen to the music will be extremely limited. We will be offering refreshments to the visitors in the Presidents' Room. We will also be handing out goodie bags with take home crafts for the children.

Please keep checking our website, [www.loganhistory.org](http://www.loganhistory.org) and our Facebook page for updates on the Christmas open house. Once we have everyone confirmed, we will put a schedule of musicians and a list of the tree and room decorators that will be participating in the open house on the website and on Facebook. We hope to see you at the 2023 Christmas at the History Center! We will be posting photographs of the decorated trees and mansion rooms on our website for those that cannot make it to the open house.
